Re: Frazier Park PUD - Preparation of Categorical Exemptions for Summit Area Pipeline Replacement Project

Dear Mr. Allison

As a follow-up to our communications regarding the above project, I am submitting this proposal on behalf of Tom Dodson & Associates (TDA) to support the preparation of a Categorical Exemption to comply with the California Environmental Quality Act (CEQA). In my professional opinion, the installation of replacement pipelines in the Summit area of the FFPUD service area qualifies with the criteria for a Class 1 or 2 Categorical Exemption (CE). TDA proposes to compile a substantiated CE package for the project. TDA's fee for the CE package will not exceed \$3,000. This will include a review of maps and aerials of the project area for the project and a site visit.

I will work closely with your office and Dee Jaspar to complete and file the Notice of Exemption (NOE) for the proposed project. Regarding the preparation of State Water Board CEQA+ environmental package, I am awaiting feedback on the scope of the requirements before I submit a proposal to prepare supporting technical studies. Please do not hesitate to contact my office if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Tom Dodson". The signature is written in a cursive, flowing style.

Tom Dodson
