**USABlueBook**  
*Get the Best Treatment™*[Summary](#)[More Like This](#)[Just For You](#)**Part#: 24924**

Weight: 5.0 lbs

Brand: SubSurface Instruments (<https://www.usabluebook.com/m-1111-subsurface-instruments.aspx>)

## Subsurface LD-7 Leak Locator

- Extremely compact and lightweight
- High sensitivity for a lower cost

**Price:****\$1,600.00** USD/Each**Need Help? Call 800-548-1234**

This basic leak detector uses the same high-quality, high-sensitivity sensor as the LD-12 model for a lower cost. Its compact amplifier comfortably fits in the palm of your hand. A spring-loaded on/off switch lets you conserve battery life and protects your hearing when moving the sensor around. The amplifier features volume control and a mute switch.

Includes: hand-held amplifier, high-sensitivity ground microphone with 3-point ground contact, 3-section metal stake, stereo headphones, magnetic base, field carrying case and operating instructions. 5-year warranty.

## Tech Specs

- Bandwidth: 100 to 1000 Hz
- Output indicators, audio: high-performance headphones
- Battery test: automatic/on-screen display
- Battery type: two AA alkaline
- Battery life: approximately 30 hours
- Weight (amplifier/display): 0.51 lbs
- Dimensions (amplifier/display): 5.7"W x 3"H x 1.25"D
